3. _____ I am applying to do research abroad through a particular **study abroad organization**. Specify which organization, location and type of research experience expected. **Attach a copy of application and letter of acceptance.**

Comments:

4. _____ I also wish to be considered for an 8-10 week internship at Johnson Space Center (NASA) in Houston. I understand that the TAMS Academic Office will make these selections. Spaces for NASA are very limited. You are required to complete items 1, 2, or 3 to serve as a backup in case we cannot place you in a lab at JSC in Houston.

Attach a paragraph that describes particular interests or experiences you have that relate to being a NASA intern (cite career goals, areas of interests, etc.)

Please note: You must be 16 by June 1 and a US citizen to work at NASA.

5. ***VERY IMPORTANT! Prioritize the research options you have listed above starting with your first choice:***

First:

Second:

Third:

If I accept a TAMS Summer Research Scholarship, I understand that this is a full-time commitment and I will be working 30-40 hours per week for at least 8 consecutive weeks. I will be required to register for research hours (see Julie Renner in the Academic Office if you have questions) and I cannot register for any other courses during the summer.
